

REMARKS

The specification has been amended in order to a) correct the related applications section; b) remove any blank spaces associated with ATCC deposit information; and c) cancel the original claims and present new claims 27-48.

Claims 1-26 have been canceled, without prejudice, and new claims 27-48 have been added. Accordingly, claims 27-48 will be pending upon entry of the instant amendment. Support for new claims 27-48 can be found throughout the specification and claims as originally filed. No new matter has been added, and Applicants submit that all of the claims are now in condition for examination.
